Description :

Prsentation de l'diteurA lonely young artist with a dangerous sidelineA wanna be lawman and his shotgun toting grampaA priceless antique race car and an unfortunate Emu~~~"Stephanie Plum step aside," by Alana Woods blogger~~~"When I see a book come up on my reading lists by RP Dahlke, I dive for them. I love her wit in her story telling. She develops great, believable characters that are easy to get to know ..." Pamela S, ~~~"This was a WONDERFUL READ from start to finish! I started it at bedtime and figured it would

help me fall asleep, but instead I stayed up all night finishing the book didn't get any sleep at all. The characters descriptions aspects of their personalities are sprinkled throughout the book, yet I have a perfect full picture of each one in my mind (I just love Pearlie her spunk)! The plot/mysteries had me guessing sometimes clueless. It's definitely NOT one of those books where 50 pages in you know "whodunnit" then spend the next 200 trudging through what you already knew." By Karmela C Lyman, Biographie de l'auteurI write humorous mysteries about an annoyingly tenacious tall, blonde and beautiful, ex-model turned crop-duster who, to quote Lalla Bains, says: Ive been married so many times they oughta revoke my license. I wanted to give readers a peek at a not-so-perfect woman who is not afraid of chipping her manicure because she doesnt have time for a manicure, what with herding a bunch of recalcitrant pilots and juggling work orders just to keep her fathers flagging business alive. Beginning with #4 in the series, A Dead Red Alibi, Lalla and her family will reside in South East Arizona where she will divide her time between a fledgling P.I. business with cousin, Pearlie Bains, and volunteering as a team member with Cochise County Search and Rescue. I also write a romantic sailing mystery trilogy: A Dangerous Harbor and Hurricane Hole. Coming in 2015: Dead Rise I love to hear from readers! e-mail: rp@rpdahlke.com Twitter: @rpdahlke GoodReads: http://www.goodreads.com/author/show/4714290.R_P_Dahlke Facebook: <http://www.facebook.com/RPDahlke> Shelfari: <http://www.shelfari.com/rpdahlke> Library thing: <http://www.librarything.com/home/1vibrantwoman> Wattpad: <http://wattpad.com/rpdahlke>
