Description :

Prsentation de l'diteur Washington has a new menace... a serial killer whose victims don't exist... Washington, embroiled in the mid-term elections, did not want to hear about serial killings. But when the newspapers reported a fourth murder, when they gave the killer a name and details of his horrendous crimes, there were few people that could ignore it. Detective Robert Miller is assigned to the case, and rapidly uncover a complication. The victims do not officially exist. Their personal details do not register on any known systems. And as Miller unearths ever more disturbing facts, he starts to face truths so far-removed from his own reality that he begins to fear for his life. Revue de presse "A beautifully written novel that is also a great mystery." James Patterson "The master of the genre." Clive Cussler "A police procedural thus shifts into a

conspiracy thriller and historical expos Powerful scenes and vivid images." Wall Street Journal "A masterful exercise in suspense . . . This one will keep you up late reading, and then you won't be able to sleep." "A rich, powerful, evocative novel of great psychological depth."
