## Description :

Prsentation de l'diteur  
Finalist in the Indie Book Awards 2010 FIRST PLACE - Reader Views Awards - Fiction  
A journey through haunted forests, through dreams and time. A tale of love, magic and the power of forgiveness. Rom, a young Tzanatzi outcast who can relive the past and Yldich, a mysterious Einache shaman are on the trail of an ancient curse. Will they save their people from destruction? Curse of the Tahira, the award-winning dbut by Wendy Gillissen is a thrilling fantasy adventure and spiritual tale in one. When Rom, a young man shunned for his Tzanatzi ancestry, crosses paths with Yldich, an Einache Shaman, they embark on a journey which will change their lives and that of their people forever. Yldich believes that Rom

can free the Einache people from a curse that has been brewing for five-hundred years. A dark force is already rising in the North, while in the South power hungry nobles will stop at nothing to get what they want. Yet Rom has no clue to who he really is, and will have to grow up fast if he is to fulfil Yldichs prophecy. Together with Eald, a little Einache boy Rom and Yldich travel north through Gardeth Forest, where the veil between this world and the underworld grows thinner each day, and the army of the Southern King is closing in. Embattled on all sides, but with the loving guidance of Yldich, Rom must face his own past and that of his people to heal the wounds inflicted by centuries of persecution and hatred. But sometimes uncovering buried secrets comes at a price. Will Rom be able to accept his true self and regain his power in time for the final battle? Curse of the Tahira won silver in the Readers Favorite Awards 2009, category fantasy/sci-fi.
