Now harsh sand covers it, leaving it barren on top. Tia recognizes the captured female as the golden haired goddess the legends spoke of that would renew their world once again. He is captivated by the slender, delicate female he discovers. Unable to resist, he returns again and again until he knows he must steal her away. Unbeknownst to Jett, Tia is dying. When he steals her away from her world he expects to claim her as his bride. Now, he must make the ultimate sacrifice if she is to survive. He knows one thing for certain; he would do anything for the love of Tia. Can two hearts beat as one? Or will one life have to be sacrificed to save another.
