Description :

Prsentation de l'diteurAdrift in the lonely rice fields of Northern China, American agent Tony McKay found himself face to face with the most diabolical evil he had ever encountered. The "Cold Men," spiritless creatures that did the unscrupulous bidding of the most dangerous secret organization on earth--The Si Fan! McKay will learn that when zombies walk and murder is the law, the dead will not be still... such is the realm of Fu-Manchu!Prsentation de l'diteurAdrift in the lonely rice fields of Northern China, American agent Tony McKay found himself face to face with the most diabolical evil he had ever encountered. The "Cold Men," spiritless creatures that did the unscrupulous bidding of the most dangerous secret organization on earth--The Si Fan! McKay will learn that when zombies walk and murder is the law, the dead will not be

still... such is the realm of Fu-Manchu!Biographie de l'auteurSax Rohmer was the acclaimed author of the Fu Manchu series of novels. The first, *The Mystery of Fu Manchu*, was published in 1912 with many more following. Rohmer also wrote more traditional detective stories and supernatural horror. He died in London in 1959.
