## Description :

Prsentation de l'diteurThis book has been written as a study guide for the Japanese Language Proficiency Test (JLPT), Level N5. The contents include characters (kanji), words, grammar, important forms of speech, and conversational expressions. Apart from reading comprehension and listening comprehension, all the material tested by JLPT Level N5 is covered.The advantages of this book include:Simple explanations and

model sentences, which allow you to study by yourself; Numerous practice problems, which allow you to check your comprehension level; and Content designed as preparation for Level N5. Characters (Kanji) Study kanji that will appear in the Level N5 test. You will need to know about 100 characters, which is not that many. Have fun learning while answering the practice problems. Words The words that appear in Level N5 are classified by situation and topic. Please use the practice problems to check your vocabulary. You can use a marker to highlight words you do not know. Grammar All important basic level grammar is covered. In addition to Japanese explanations and model sentences, English translations are provided for reference. Read the verb and adjective forms out loud so that you remember them as well as understand them. Important forms of speech This chapter includes sentence patterns, adverbs, conjunctions, and other important forms of speech, using words that often appear in the test. Using model sentences is a good way to study this material.

Choose one that you like and read it out loud. Conversational expressions Level N5 does not only test grammar and vocabulary but also expressions commonly used in conversation. In addition to preparing for the test you will learn everyday conversation. 100 Presentation de l'diteur This book has been written as a study guide for the Japanese Language Proficiency Test (JLPT), Level N5.
