## Description :

Prsentation de l'diteurWhats worse than editing the stupidest supernatural romance novel ever written? Getting stuck inside of it. Karalynn Donnelly has somehow been transported into *Eternal Passion at Sunset*, a vampire love story filled with enough clichs, anachronisms, and run-on sentences to drive any hardworking book editor insane. To make matters worse, Kara accidentally prevents the story's hero and heroine from even meeting. Now Slade, the idiot Vampire King, thinks Kara is his destined mate and Melessa, his actual bride, has run off to join a Wild West show. If Kara is going to find her way home, she needs to get this story back on track. But, teaming up with the novel's bad guy might not be the best place to start. Damien, last of the

Wizard-Warlocks, thinks Kara is the key to destroying his archenemy Slade. Snarky, charismatic, and unrepentantly villainous, Damien hates the Vampires and hes very interested in what Karalynn might know about all the changes happening in his world. Somehow, Kara has to reunite Slade and Melessa, dodge kidnapping Vampires, fight fire breathing dragons, and deal with her own growing feelings for a handsome bad guy whos starting to seem an awful lot like her knight in shining armor.
