Quatrième de couverture She's a mortal cursed with dark power... After a tragic accident scarred her body and destroyed her dreams, Leila never imagined that the worst was still to come: a terrifying ability to channel electricity and to see a person's darkest secrets through a single touch. Leila is doomed to a life of solitude... until creatures of the night kidnap her, forcing her to reach out with a telepathic distress call to the world's most infamous vampire... He's the Prince of Night... Vlad Tepesh inspired the greatest vampire legend of all but whatever you do, don't call him Dracula. Vlad's ability to control fire makes him one of the most feared vampires in existence, but his enemies have found a new weapon against him a beautiful mortal with powers to match his own. When Vlad and Leila meet, however, passion ignites, threatening to consume them. It will take everything they have to stop an enemy intent on bringing them down in flames.
