Prsentation de l'diteurThe new thriller from Michael Crichton, one of the most famous authors in the world, the most exciting, anticipated publication of Christmas 2009.Jamaica, in 1665 a lone outpost of British power amid Spanish waters in the sunbaked Caribbean. Its capital, Port Royal, a cuthroat town of taverns, grog shops and bawdy houses the last place imaginable from which to launch an unthinkable attack on a nearby Spanish stronghold. Yet that is exactly what renowned privateer Captain Charles Hunter plans to do, with the connivance of Charles II's ruling governor, Sir James Almont.The target is Matanceros, guarded by the bloodthirsty Cazalla, and considered impregnable with its gun emplacements and sheer cliffs. Hunter's crew of buccaneers must battle not only the Spanish fleet but other deadly perils raging hurricanes, cannibal

tribes, even sea monsters. But if his ragtag crew succeeds, they will make not only history but a fortune in gold. *Revue de presse* Unabashed fun. (Cameron Martin, *New York Times*) Offers unexpected turns and plenty of yo ho hos. (Richard Eisenberg, *People* (3 out of 4 stars)) Its not an ironic pirate novel. Its not a pirate novel with a secret gimmick. Its simply an entertaining tale filled with crafty privateers, despicable villains, treasure hoards, double crosses and a sea monster. Go figure. (Michael Berry, *San Francisco Chronicle*) A lusty, rollicking 17th century adventure. History as entertainment. Crichton has done his homework. (Bob Minzesheimer, *USA Today*) The plot sucks you in like the giant kraken monster that nearly sinks our heros galleon. (Benjamin Svetkey, *Entertainment Weekly*) *Présentation de l'auteur* The new thriller from Michael Crichton, one of the most famous authors in the world, the most exciting, anticipated publication of Christmas 2009.
