Biographie de l'auteur After a successful career being other people, and later teaching others the many tricks of that trade, Maer Wilson has decided to be herself for a while. Turns out she's a writer. She's always loved stories, especially fantasy, mystery and sci fi. Maer was born in the Year of the Dragon and has a dragon-themed room in her home, but sadly no dragons in the back yard. When she's not writing, Maer plays online video games, teaches college and reads. Maer is a partner in Ellysian Press, a small publishing house. She also co-hosts the literary podcast MythBehaving. Maer lives in the high desert of Southern Nevada with her three dogs, a chihuahua and two poodles. Her books include Relics and Portals, Books 1 and 2 in the Modern Magics series. The upcoming third book in the series is Magics. There are also three novelettes in the series - Ghost Memory, Unwanted Ghost and Ghost Dancer. A fourth story, Wedding Ghost is also planned.
