## **Description :**

Prsentation de l'diteurTeddy Stanley is a sixty something,retired waitress. Three times married, twice widowed, once divorced, she lives beach side on the Oregon coast. The purchase of a bargain lid for her septic tank occasions the discovery of the body of a local real estate developer/good old boy. The local sheriff, a poker playing buddy of the deceased could be the killer. The sheriff likes her friend Rob, the business partner of the dead man for the deed.Prsentation de l'diteurTeddy Stanley is a sixty

Children, grand children, and friends are encouraged to visit but most often it is Amanda, the beach, the garden and the computer. The answering machine advises, "If the sun is out I am in the garden. If it is raining I am writing. Either way it may take me a while to get back to you.
