5Biographie de l'auteurCate Dean has been writing since she could hold a pen in her hand and put more than
two words together on paper. She grew up losing herself in the wilds of fantasy worlds, and has had some of
her own adventures while tromping through the UK, and a few other parts of the world. A lover of all things
supernatural, she infuses that love into her stories, giving them a unique edge. When she's not writing, she
loves cooking, scaring herself silly in the local cemeteries, and reading pretty much anything she can get her
hands on.
