Description : Description du produitRarely has an urban fantasy so moved and entertained me on the very same page! Royal Street offers an insider's view of post-Katrina New Orleans, in all its heartache -- and all its heart. A witty, resilient heroine and an irresistible cast make this a sure hit with fans of Charlaine Harris and Jim Butcher. (Jeri Smith-Ready, award-winning author of the Shade and Wvmp Radio series)Not only a highly enjoyable read but also the beginning to what could be an "elite" paranormal fantasy saga. Is Suzanne Johnson's ROYAL STREET the paranormal fantasy debut of the year? ... if I had to choose right now, this book would get my vote (Barnes Noble SF/F Review)Unplug the phone. Turn off the TV. You won't want to be interrupted. I read it in one sitting. A thoroughly enjoyable world and a likeable heroine make for a fun read (Cat Adams, author of Siren Song)

Prsentation de l'diteurA fun, fast-paced book, first in a series of urban fantasy novels filled with wizards,

mermen, and pirates that are perfect for readers of paranormal fiction and "fans of Charlaine Harris and Cat Adams" (Booklist). RT Bookreviews agrees that "for readers missing Sookie Stackhouse, this series may be right up your alley." As the junior wizard sentinel for New Orleans, Drusilla Jaco's job involves a lot more potion-mixing and pixie-retrieval than sniffing out supernatural bad guys like rogue vampires and lethal were-creatures. DJ's boss and mentor, Gerald St. Simon, is the wizard tasked with protecting the city from anyone or anything that might slip over from the preternatural beyond. Then Hurricane Katrina hammers New Orleans' fragile levees, unleashing more than just dangerous flood waters. While winds howled and Lake Pontchartrain surged, the borders between the modern city and the Otherworld crumbled. Now, the undead and the restless are roaming the Big Easy, and a serial killer with ties to voodoo is murdering the soldiers sent to help the city recover. To make it worse, Gerry has gone missing, the wizards' Elders have assigned a grenade-toting assassin as DJ's new partner, and undead pirate Jean Lafitte wants to make her walk his plank. The search for Gerry and for the serial killer turns personal when DJ learns the hard way that loyalty requires sacrifice, allies come from the unlikeliest places, and duty mixed with love creates one bitter gumbo.

The Sentinels of New Orleans Series: Royal Street River Road Elysian Fields Pirate's Alley Belle Chasse
