Description : Description du produitIt may be that women have no positive appreciation of what is beautiful in form and color--or it may be that they have no opinions of their own when the laws of fashion have spoken. This at least is certain, that not one of them in a thousand sees anything objectionable in the gloomy and hideous evening costume of a gentleman in the nineteenth century. A handsome man is, to their eyes, more seductive than ever in the contemptible black coat and the stiff white cravat.
