## Description :

Prsentation de l'diteurView our feature on Jack Campbell's The Lost Fleet: Beyond the Frontier: Dreadnaught.The New York Times bestselling series that delivers "edge-of- your-seat combat" (Elizabeth Moon, author of the Vatta's War series). The Alliance woke Captain John "Black Jack" Geary from cryogenic sleep to take command of the fleet in the century-long conflict against the Syndicate Worlds. Now Fleet Admiral Geary's victory has earned him the adoration of the people-and the enmity of politicians

convinced that a living hero can be a very inconvenient thing. Geary knows that members of the military high command and the government question his loyalty to the Alliance and fear his staging a coup-so he can't help but wonder if the newly christened First Fleet is being deliberately sent to the far side of space on a suicide mission.Revue de presse[Dreadnaught] delivers everything fans expect from Black Jack Geary and more.Monsters CriticsThe story line is as always faster than the speed of light.Alternative WorldsCampbell combines the best parts of military SF and grand space opera to launch a new adventure series.Publishers
