Description :

Prsentation de l'diteurSabina Kane doesn't have the best track record when it comes to family. After all, her own grandmother, leader of the vampire race, wants her dead. So when she arrives in New York to meet her mage relatives, the reunion puts the fun in dysfunctional. Not only is mage culture completely bizarre, but everyone seems to think she's some kind of 'Chosen' who'll unite the dark races. Sabina doesn't care who chose her, she's not into destiny. But the mages aren't Sabina's only problem. In New York's Black Light District, she has run-ins with fighting demons, hostile werewolves and an opportunistic old flame. Sabina

thought she'd take a bite out of the Big Apple, but it looks like it wants to bite back. Presentation de l'auteur Sabina Kane doesn't have the best track record when it comes to family. Biographie de l'auteur Raised in Texas, USA Today bestseller Jaye Wells grew up reading everything she could get her hands on. Her penchant for daydreaming was often noted by frustrated teachers. She embarked on a series of random career paths, including stints working for a motivational speaker and at an art museum. Jaye eventually realized that while she loved writing, she found facts boring. So, she left all that behind to indulge her overactive imagination and make stuff up for a living. Besides writing, she enjoys travel, art, history, and researching weird and arcane subjects. She lives in Texas with her saintly husband and devilish son.
