Description : Description du produit
Brierly thought she was the last of her kind. The ancient Shari people had been hunted down, accused of using their powers only for evil. But Brierly is a healer who feels compelled to bring comfort to those in pain, despite the risk to her life. Discovered and betrayed, Brierly embarked on a journey and found the truth behind her peoples destruction. She also discovered that there are more of her kind. With the child Megan, she will hide in the mountains while she tries to unravel the secrets that could bring back at least some of her people and their power. And what of her love, Earl Melfallen? He is torn between the woman who has his heart and the country that needs him. If Brierlys people are ever to be found and the balance of the land restored, young Melfallen will have to find a way past centuries of hate

and distrust. If he cannot do so, then not only Brierly and her dreams are lost, but his own people risk destruction as well.

Prsentation de l'diteur"Mother OceanDaughter SeaStrength UnchangingStrengthen Me"The Shari'a are an ancient race. They are un-warlike and they are ruled by their shamanic witches. The Allemanii are more recently arrived in their locale and are both awed and made fearful by the magical powers of the witches. After generations of peaceful coexistence, a cataclysm occurred out of nowhere and the Allemanii turned on their neighbors and hosts, slaughtered most of them and scattered the survivors. Suddenly, to be a Shari'a is proscribed and to be caught practicing their magic is to be hunted to the death.In MOTHER OCEAN, DAUGHTER SEA, Brierly was a secret healer who was betrayed by someone she had trusted. In SEA LARK'S SONG, exposed as a Shari'a healer, on the run and now aware of a secret truth about what had happened to her people--and in love with one who may put her life at risk even more--Brierly must hide in the mountains and sort her way through a tangle of secrets as she attempts to bring her lost people, and their magical, healing power, back into the world.Her true love faces an almost overwhelming challenge: he must struggle against centuries of fear, hatred, secrecy and conspiracy to turn his own people away from the commitment to destruction. If he does not, not only will Brierly and her people's survival be at risk but his own people may end up facing a similar fate, as destructive as the one they had wrought upon the Shari'a.
