Description :

Prsentation de l'diteurA wacky schizophrenic tale of a mans descent into delusional panic as he realise the Sun and Moon are evilly conspiring to destroy humanity and take his soul. If you love gonzo, sci fi and weird humour - it's all in here for you. What's more - this wacky story challenges our very idea of what knowledge and madness actually is. What is reality really? And what is happiness? How can we be free?Will our wacky hero find out after he builds his nuclear powered spacecraft to escape the galaxy or will the Sun and Moon stop him using their army of zombie humans? Join him in the ride and find out for yourself...Prsentation de l'diteurA wacky schizophrenic tale of a mans descent into delusional panic as he
