Kate Reilly is having a bad month
She's on trial for murders she didn't commit. She's next on the list of a serial killer. The parasitic vampires known as the Thrall want her to investigate the murder of their young, and will use any means necessary to force her to bow to their demands. And--possibly worst of all--her boyfriend Tom's werewolf pack is trying to break them up so Tom can mate with a werewolf to ensure the survival of his pack. Now Kate must fight for Tom--and fight for her very survival in this brand new paranormal romance from the unbeatable, bestselling team of C. T. Adams and Cathy Clamp. From Publishers Weekly In Adams and Clamp's latest, psychic tough gal Kate Reilly returns to find trouble coming from all directions: her gorgeous boyfriend's werewolf pack is trying to break the couple up; she's being sued for her part in a gruesome death; and the Thrallevil, parasitic vampires who, last time out, tried to make Reilly their new queen demand her help in finding a batch of missing vampire eggs.[...] Reilly soon discovers that she's the target of a multipronged manhunt and must outwit killers bent on her destruction. Picking up where their bestselling *Touch of Evil* left off, Adams and Clamp jump straight into the action. Fans will happily rejoin Reilly's story, which features great chemistry between the leads and a swift pace; unfortunately, the overly complex plot will prove a challenge to those not already familiar with the unconventional rules of Adams and Clamp's world. Booklist Adams and Clamp continue the paranormal romance series that began with *Touch of Evil* (2006). In this installment, Kate Reilly is on trial following a debacle involving a hospital study. Her brother, Bryan, is also in trouble. The leader of the werewolf pack wants Tom to reproduce, but Kate is sterile, and she keeps having dreams in which other *Not Prey* turn up dead. The great appeal of this series is that Clamp and Adams create a fully imagined world and bring multiple, disparate plots together to satisfying effect.
